WORK EXPERIENCE

Apex Planet

Frontend Developer intern

May 2025 - July 2025

Developed 5 responsive and user-friendly web projects using HTML, CSS, JavaScript, and React. Converted UI/UX designs into functional web pages with clean and maintainable code. Collaborated with the team to improve website performance, layout, and user experience. Gained practical experience in version control (Git), debugging, and optimizing frontend components.

ASIMO- The Technical Club

Coordinator

Nov 2024 - Present

Organized and managed events, workshops, and competitions. Coordinated with team members and faculty to ensure smooth execution of club activities. Assisted in promoting technical awareness and student engagement through events. Developed leadership, communication, and organizational skills through hands-on coordination.

EDUCATION

Government Engineering College, Samastipur

B.Tech - 7.00

Aug 2023 - May 2027

PROJECTS

MusicApp [🔗](#)
